WILDLIFE LOVERS

Our ecological trails provide hours of botanical adventure, great birdwatching, and the thrill of discovery. We invite you to go around and meet the neighbors. There is a family of manatees living at the marina, which we monitor closely. Everyone's favorite caddies at Punta Espada are the rhinoceros iguanas. You'll spot sea turtles always at the beach, and if you're lucky, you might even see a whale waving goodbye during mating season.
